How to use this scholarship handbook

This handbook helps students and parents discover scholarship, fee-support, education-loan and reservation-linked funding options after school. It groups options by provider type so that students can shortlist schemes relevant to their course, community, income background, state, gender, disability status or academic merit.

Before applying: prepare recent marksheets, admission proof, government ID, income certificate, bank details, community/disability/occupation certificates where applicable, and a scanned photo/signature if the portal requires it.

Central Government

16 entries in this section. Amounts and deadlines change; confirm through the official provider or government portal.

National Means Cum Merit Scholarship (NMMS)

Best fit	EWS government / aided school students from Class 9 to 12
Main eligibility	Class 8 passed students entering Class 9 in government or aided schools; income and exam qualification apply.
